

# The Enlightened Leader<sup>®</sup>

Keynote or high-level leadership team briefing session delivered by Jeremy Blain and/or Paul Marks

## Emerging leadership traits and skills for the 2020s and beyond

Research | Emerging practices | New leadership skills model | Implications for you

### Target Audience

- C-Suite and executive leaders
- Directors and senior management
- Newly appointed leaders and Talent
- Board members and Non-Executive Directors
- Human Capital, Leadership Development and Talent leaders

### Context

The beginning of the decade proved to be a time of upheaval like no other, in business and in our personal lives. For business, this comes amidst a perfect storm of disruptors that have been there for some time – digital transformation, workforce transformation, new ways of working and hyper competition, to name a few. Add to these, the global pandemic, along with political, environmental and financial uncertainty, there is a clear and urgent need for strong, supportive leadership.

### Our keynote or high-level leadership briefing session (1-1.5hours)

The keynote / high-level leadership briefing session highlights the emerging leadership traits and skills most appropriate for the decade ahead and beyond.

The need for a 'Power of 3' combination of skillsets, beyond purely business imperatives, is indicative of our times. These are:

- ✓ Human Centred Leadership
- ✓ Business Centred Leadership
- ✓ Community Centred Leadership
- Examples of organisations globally getting it right and those struggling to make progress – with benefits and consequences
- The Enlightened Leader<sup>®</sup> Model – Introduction
- Group input / discussion and workshopping to establish next step
